

Dear Candidate,

Thank you very much for your interest in our company and for sending us your CV.

Should your qualifications and experience match those required for any of our current openings, we will contact you. Otherwise, we will keep your CV for a period of one (1) year, in case a position which matches your qualifications and interests opens. After the lapse of one (1) year, your application and its attachments (e.g. CV) will be destroyed and should you wish to re-apply, you can do so using the mediums made available by us.

We would like to inform you that we will process your CV fairly and lawfully and that your application will be treated with the strictest confidentiality, so we will not share your data with third parties other than employees of our company, who will be involved with the processing of your application. In particular, we shall process your personal information included in the CV exclusively for the purposes of evaluating your qualifications, whereas the legal basis for the processing of your personal data will be for us to evaluate the possibility of offering you an employment contract.

Under the General Data Protection Regulation, you have the right to access, rectify and erase your personal data and the rights to restrict and to object to the processing of your personal data which are kept in the company's records. You also have the right to receive your personal data in a structured, commonly used and machine readable format and to transmit them to another company without hindrance from the company. You can exercise your rights above and send any relevant query at privacy@verlabs.com.

You also have the right to lodge a complaint with the Greek Data Protection Authority, if you consider that the company violates the applicable data protection laws when processing your personal data.

We thank you once again for your interest in our company and we wish you every success in meeting your career objectives.

Kind Regards,
Verlabs team
